Transfers between the Interest Crediting Options will be effective on the specified Contract Anniversary, provided the transfer request is received in good order, in a form satisfactory to us.

Unless you instruct us otherwise, we will automatically transfer the Index-Linked Option Value of an expiring Index Term into a new Index Term under the same Index-Linked Option, or if the same Index-Linked Option is not available, to the Fixed Account Option. For Pacific Index Edge, the S&P 500® Index-Linked Option **5-Year Participation Rate with Spread** available for the initial index term at contract issue on contracts that were issued on or before December 15, 2019.
