I understand that current tax law only permits one rollover distribution of IRAs every 12 months. For purposes of this per-year limitation, all IRAs, including Roth, SIMPLE, and SEP IRA are aggregated, such that a rollover involving any a rollover involving any other account (except a qualified plan) will not be permitted the next year.

When to use this form	Use this form to request a one-time withdrawal from your fixed annuity contract or to request pre-authorized withdrawals from your fixed annuity contract, complete all applicable sections except Section 9. If your contract is a party administrator must sign and complete Section 9.
To complete this form	Print clearly in dark ink. Provide requested information in full. An incomplete form may cause us to highlight any information submitted on this form. Paperwork submitted to Pacific Life is scanned into a system and highlighting could make that information unreadable.
Important information	All requests must be received in good order before market close of the New York Stock Exchange on the same business day. Standard market close is 4pm Eastern, Monday through Friday. This excludes days when the market may be closed or closes early.
